AUTOMATICALLY RENEWABLE CERTIFICATE OF DEPOSIT

Certificate of deposit accounts earn daily simple interest on current balance for the specified term until the maturity date. At maturity, the rate of earnings will be adjusted to the rate Home Federal Bank is offering at that time on certificate of deposit accounts of the same class. The interest rate and annual percentage yield changes are solely within Home Federal Bank's discretion. The minimum balance required is determined by the term of the certificate of deposit. Deposits may only be made to this account at maturity or within the seven day grace period. In the event of any withdrawal of principal or interest from this account prior to the maturity date, the accountholder shall forfeit an amount equal to the amount stated on the Confirmation of Time Deposit, regardless of the length of time the funds withdrawn have remained in the account. Any withdrawal which reduces the account balance below the minimum balance requirement shall be considered as a withdrawal of the entire account balance and shall be subject to the penalty stated on the Confirmation of Time Deposit. To the extent necessary to comply with these requirements, deductions shall be made from the amount withdrawn or the remaining account balance. If the account or any portion is withdrawn not more than 7 days after the maturity date, earnings shall be paid to the date of withdrawal, without penalty at the rate Home Federal Bank is offering on certificate of deposits of the same class. Early withdrawal penalty will not be imposed following the death or adjudication of incompetence of any accountholder. This account shall be automatically renewed for another term at the rate of earnings Home Federal Bank is offering at that time on new certificate accounts of the same class, on maturity date or on the maturity date of any renewal term unless (1) it is withdrawn within the 7 day grace period, or (2) at least 15 days (if the term of this account is more than six months) or at least 10 days (if the term of this account is six months or less) before a maturity date, Home Federal Bank gives written notice to the accountholder that this account will not be renewed. In such event, upon maturity, the account will either be renewed at such rate of earnings as set forth in said written notice, or converted to a savings account and receive earnings at the rate then paid on savings accounts. The annual percentage yield assumes that interest remains on deposit until maturity and that a withdrawal will reduce earnings. Home Federal Bank offers flex certificate of deposits, which gives the option to bump the interest rate one time during the term of the certificate. Should you choose to adjust the rate, it will be at the same rate being offered on the date you choose to exercise your option for certificates of the same term and will be in effect for the remaining term of your certificate of deposit.

Home Federal Bank
Advanced Overdraft Protection
Consumer Disclosure

Home Federal Bank (Bank) understands that from time to time, activity in your account may result in there being insufficient funds available to cover all checks, funds transfers, service charges and other debit items and maintain a positive balance. Advanced Overdraft Protection is an overdraft privilege service allowing such items, at the Bank's sole discretion, to be paid resulting in an overdraft (negative) balance.

Qualifications

The Advanced Overdraft Protection service is available to selected customers on a purely discretionary basis and may be revoked at any time at our discretion. This service is offered only in connection with accounts that are used primarily for consumer purposes, have been open for at least 90 days, have had total deposits activity of at least \$300.00 and are in good standing with the Bank. Your account is in good standing if you are not:

- delinquent fifteen (15) days or more on any loan or other obligation with the Bank
- subject to any legal or administrative order or levy
- overdrawn twenty-one (21) or more consecutive days

Overdrafts Limits and Caps

This privilege for consumer checking accounts will generally be limited to a maximum of \$300.00 overdraft (negative) balance in your account. The Bank is not obligated to pay such items and we may, at our discretion, honor them subject to all customary fees and charges. Customary fees and charges include, but are not limited to, \$35.00 Advanced Overdraft Limit fee for each check or debit which will be included in the calculation of this limit. However, we will charge you no more than five (5) Advanced Overdraft Limit fees per day. The \$35.00 Advanced Overdraft Limit fee applies to overdrafts created by check, in-person withdrawal, ATM withdrawal or other electronic means if you opted in to the authorization and payment of ATM and everyday debit card transactions (Regulation E - refer to disclosure "What You Need to Know About Overdrafts and Overdraft Fees"). Also we will assess a continuous overdraft fee of \$25.00 for each period of ten (10) days or longer that your account is continuously overdrawn to be assessed each tenth (10th) day your account is continuously overdrawn.

Other Information

The Bank may refuse to pay an overdraft against your account even if we have previously paid overdrafts for you and even if your account meets the above qualifications. The Bank has no obligation to notify you before we pay or return any item and may limit, at our discretion, the number of accounts eligible for the Advanced Overdraft Protection service to one account per household. You agree that you will promptly deposit funds sufficient to cover any overdrafts created in the account and that you will not allow overdrafts to exist for longer than twenty-one (21) days. All owners of the account are personally liable for any overdrafts paid on the account regardless of whether the overdraft was caused by an action of the owner(s) or by a duly appointed agent.

You have the right to completely opt out of the Advanced Overdraft Protection service by notifying us that you want this service removed from your account and by signing our Waiver of Limit Form.

NOTE: Home Federal Bank will have the discretion to pay overdrafts on accounts in good standing as described above and any such payment is a discretionary courtesy, and not a right of the account holder or an obligation of Home Federal Bank. Home Federal Bank in its sole and absolute discretion can cease paying overdrafts at any time without prior notice of reason or cause.

FUNDS AVAILABILITY POLICY

Your Ability to Withdraw Funds

Our policy is to make funds from your check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits and cash will be available on the day we receive the deposit. Once funds are available, you can withdraw the funds in cash or we will use the funds to pay checks and other items presented.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays and federal holidays. If you make a deposit before 4:00 p.m. at a banking center or 2:00 p.m. at one of our ATMs on a business day we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 4:00 p.m. at a banking center or 2:00 p.m. at one of our ATMs or on a day we are not open, we will consider that the deposit was made on the next business day we are open. Further, if you make a deposit at one of our night depositories after 8:00 a.m. on a day that we are open or any time on a day we are not open, we will consider the deposit was made on the next business day we are open.

Longer Delays May Apply

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first **\$200** of your deposits, however, may be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Special Rules for New Accounts

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits and cash to your account will be available on the day we receive the deposit. Funds from deposits of wire transfers and the first \$5,000.00 of a day's total deposits of cashier's, teller's, travelers, and federal, state and local government checks will be available on the first business day after the day of your deposit, if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000.00 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

These include all transfers resulting from a Home Federal Bank MasterCard debit card, preauthorized transfers via ACH and online banking transactions via computer and/or a web-enabled cell phone by mobile web and/or mobile application.

Consumer's Liability: Tell us AT ONCE if you believe your card or code has been lost or stolen, or if you believe that an electronic funds transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account. If you tell us within 2 business days after you learn of the loss or theft of your card or code, you can lose no more than \$50 if someone used your card or code without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card or code, and we can prove we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

Preauthorized credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (318) 841-5330 or (877) 674-1145 to find out whether or not the deposit has been made.

Periodic statements. You will get a monthly account statement unless there are no electronic transfers in a particular month. In any case you will get the statement at least quarterly.

Stop Payments: If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how: Call us at (318) 841-5330 or (877) 674-1145, or write us at Home Federal Bank, P.O. Box 1728, Shreveport, LA 71166-1728, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you \$35.00 for each stop-payment order you give.

Notice of varying amounts: If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

Liability for failure to stop payment of preauthorized transfer: If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Financial institution's liability: If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough money in your account to make the transfer.
- If there are not sufficient available funds in your overdraft protection accounts or overdraft line.
- If the automated teller machine where you are making the transfer does not have enough cash.
- If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- There may be other exceptions stated in our agreement with you.

ATM fees: When you use an ATM not owned by us, you may be charged a fee by the ATM operator [or any network used] (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

Box 1728, Shreveport, LA 71166-1728, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

(1) Tell us your name and account number (if any).

(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.

(3) Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.
